Dear Friends

Sevalaya gets 90% pass in 12th grade exams this year. The students are first generation learners. Sevalaya has proved once again that every child has a right to education and given a chance a child from the lowest strata of society can scale great heights.

D.Praveena who has stood first in the school lost her father when she was very young and then joined Sevalaya school and hostel when she was 4 years old. She is interested in doing Engineering.

S.Revathy's father is a village tailor and has very little income. S.Kanimozhi's father is an agricultural labourer.

We run a free School where more than 1050 children study. This is likely to go upto 1500 this year. The expense for educating a child is Rs.6000/- per year. Just to start the academic year, we need Rs 1000 per child to buy uniforms, note books etc.

As in the previous years, we are sure we have your support to make quality education accessible to the poor children in a remote village, providing them better opportunities.

Donations in kind, cash or cheque can be sent to our campus address mentioned above.

Donation to Sevalaya qualify for 100% I.T. exemption under sec 35A.C of the I.T.Act

With Regards
For Sevalaya
Yours Sincerely
